Dear Hiring Manager,

I am excited to present myself as a candidate for the Entry-Level Full Stack Developer position. With a strong foundation in **full-stack development** and a passion for building efficient, scalable, and user-centric applications, I am eager to contribute my skills to your team.

I recently completed my **Advanced Diploma in Computer Programming & Analysis** from **George Brown College**, specializing in **full-stack and mobile application development**. Through academic projects and hands-on experience, I have honed my expertise in **JavaScript, React, Node.js, Express, MongoDB, and Firebase**. My problem-solving abilities, combined with a keen eye for design and performance optimization, allow me to build applications that offer seamless user experiences.

Beyond my technical skills, I am highly adaptable and thrive in collaborative environments. I enjoy tackling new challenges, learning emerging technologies, and continuously improving my development workflow. I am confident that my enthusiasm, work ethic, and dedication to building impactful digital solutions align well with the values of [Company Name].

I welcome the opportunity to further discuss how my skills and aspirations align with your team's goals. Thank you for your time and consideration. I look forward to connecting and contributing to your organization's success. Please feel free to contact me at **(647) 225-5425** or vatsal0326@gmail.com.

Sincerely,

Vatsal Prajapati
